

Authors guidelines

La Rivista Italiana delle Sostanze Grasse

La Rivista Italiana delle Sostanze Grasse (RISG) welcomes research, experimental or technological papers, short communications, review articles on: edible and industrial oils and fats (vegetable and animal origin), soaps, detergents, surfactants, cosmetics and toiletries, mineral oils, lubricants.

The manuscript will be evaluated by a team of referees whose opinion is essential for acceptance for publication. We ask you to indicate three names of qualified experts as a referee.

The Authors publishing their manuscripts on our scientific Journal are authorized and encouraged to upload the full text in .pdf format on their page of ResearchGate, increasing the diffusion and visibility of the results. From 2020 RISG is available Free on-line in our website and the papers in Open Access on the page:

<https://www.innovhub-ssi.it/media/pubblicazioni/risg-rivista-italiana-sostanze-grasse.kl> (Italian website)

<https://en.innovhub-ssi.it/media/publications/risg-rivista-italiana-sostanze-grasse.kl> (English website)

Send your article to risg@mi.camcom.it

The Paper will must include:

- **Abstract:** in English, also for articles written in Italian language
- **Introduction:** the reasons for the research and reference to literature on the same subject
- **Experimental part:** with a detailed description of the applied methodology
- **Results with discussion**
- **Bibliography**

If a Review, will must include:

Comprehensive critical descriptions of present knowledge of actual research subjects or technological developments

Manuscript format

AUTHORS ARE ASKED TO KEEP TO THE FOLLOWING GUIDELINES

Authors are strongly encouraged to submit their articles in Word/Windows, in **separate files: Text and Tables/figures**.

- ✓ **The first page must contain the following items:**
 - Title of the paper
 - Authors: full NAME and SURNAME, Company or Institution, City, State
 - Only for the **corresponding author**: full postal address, including phone, and email (also for sending the proof print)

- ✓ **Abstract** : font arial narrow, size 10

- ✓ **Text**: font arial, size 10

- ✓ **Bibliography**

The bibliography must be numbered in square brackets, see example.

[1] C. Rossi, N.M. Bianchi, Title of the publication. Journal name 73(2), 65-71, (1996)

All references to bibliography must be reported in the text by numbers in square brackets. Where there is more than one reference, each number must be followed by a comma.

If a RISG article is included in the references, quote the journal as Riv. Ital. Sostanze Grasse

- ✓ **Tables** (use the table tool) must be numbered consecutively with Roman numerals and must have dimensions 8, 16.5 or 25.0 cm. Insert the references to the tables in the text.
- ✓ **Figures** (in .jpg) must be numbered consecutively with the Arabic numerals. Insert the references to the figures in the text. The figures must have dimensions 8 or 16.5 cm. They must be well-defined, clear and legible figures.
